Summary:

James Nottingham is a parent, teacher and award-winning education consultant. He advises schools, universities, companies and governments around the world about the best ways to enhance learning.

In this inspiring, humorous and practical book he shows what you can do to help children of all ages develop into confident, thoughtful and independent learners. Highlights include: the dangers of calling our children clever, bright and gifted; the best ways to teach wisdom; how to help children excel in exams; and why curiosity did not kill the cat.

If you want to help children succeed then read this book!
