<b>Subject:</b>	Study Skills

### Key Selling Points:

- Loaded with great strategies to help your students maximise their studying effectiveness
- Full of fun facts, engagingly written and highly practical
- Accompanying CD-Rom and poster also available

### Summary:

Far too many people study harder rather than smarter and end up burning out. Sitting exams is supposed to get you ahead in life – not make you a nervous wreck. With the simple and effective techniques described in this booklet you can greatly increase your ability to pass exams – and even reduce your study time. Education is the key to the future and working smarter, not harder, is the key to success.
