## Summary:

Starting school is the major step in a child's life. The activities in *Ready, Set...Go! Off to School* provide children with some essential skills to help make their first year of school a successful one. With 27 interactive games, puzzles, songs and crafts for parents and children to enjoy together, *Ready, Set...Go! Off to School* helps make learning a challenge that's fun.

The activities are divided into five chapters, based around five major areas of development:

- Hands, fingers, thumbs: fine motor development
- All by myself: gross motor development
- Chatterboxes: language development
- Flights of fancy: creative/imaginative development
- Think tank: cognitive development

## About the author:

Becky Daniel is a parent, teacher, author and editor - four distinct yet interrelated professions. She has taught at levels from kindergarten to year eight and has, over the past 25 years, written over 200 educational resource books.
