**Summary:**

*Diversity and Young Adolescents* addresses the many intellectual, physical, emotional and social aspects of diversity, helping teachers to incorporate developmentally responsive instructional practices into their teaching. Each chapter contains strategies for teachers as well as a wealth of ideas that will be useful in promoting learning in diverse settings. Extensive annotated lists of young adolescent literature organised by category are also included, and are invaluable tools in selecting books for classroom use. Understanding young adolescents means more than recognising the characteristics that define them. This resource gives educators strategies for dealing with diversity in every middle-years classroom, using it in positive ways to enhance student learning.

**Key selling points:**

- Discusses physical, intellectual, emotional, social, and racial diversity.
- Each chapter closes with strategies for teachers that relate to that particular area of diversity.
- Useful for teachers just starting, as well as veteran teachers in developing lesson plans and providing information about diverse classroom settings.

**Supporting resources:**

- *Bullying in Schools: The Hidden Curriculum* (HB8002)
- *Burnt: An Australian Anti-Bullying Play* (HB8010)
- *It Takes Character* (INA4251)
