Summary

By making the statement, 'I am the future', one student poses a question: What role do we, as teachers, have in ensuring that future is bright?

Reviews

In a creative and powerful way, this book illustrates the incredible role educators play in shaping the future. Its candid message deals with the complexity of student attitudes and behaviors and the empowering role teachers play in their lives. An inspiring and thoughtful read to spark reflection and dialogue!

— Nicole Vagle, educator, author, consultant

This book is a simple yet powerful example of what the authors believe: That every student is a success story waiting to be told. It will serve as a poignant reminder for educators everywhere.

— Charlie Coleman, principal

I shared your book with the student teacher that is currently in my classroom. WE LOVE IT!

— Lauree Lavoie, primary teacher
