**Key Selling Points:**

- All new challenges from the author of the bestselling, *Team Challenges* and *Independent Science Challenges*
- Each self-contained challenge promotes higher-level thinking, creativity and teamwork
- Includes ideas for warm-ups and extension activities

**Summary:**

With all the successful ingredients of the original best-selling title *Team Challenges*, *Teambuilding Challenges* features all new activities, more warm-ups and a section of longer activities. The book also contains links to language and writing skills. This is a collection of exciting, open-ended tasks that require teamwork, imagination and fast thinking. They can be used by teams of all kinds, and are ideal for enrichment, extension and teambuilding. Participating in these challenges will help team members break away from routine ways of thinking and make creative leaps into the unusual and the untried.
