### Summary:

What can we do with underachievers? As Carolyn Coil has worked with teachers and parents during the past several years, she has heard this question over and over again. There is no single answer, but multiple answers and strategies. Self esteem, study skills, motivation and parent/teacher collaboration all play a role in solving the puzzle of underachievement.

Areas covered in this title include:

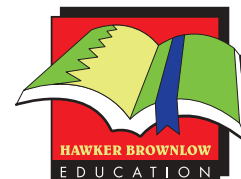

- Building self-esteem
- Improving study skills
- Remediating academic weaknesses
- Motivation – an essential element of achievement
- Working with the parents of underachievers
- Flexibility and change within the school system

### Key selling points:

- Addresses a wide range of symptoms and causes of underachievement.
- Provides examples of ways to counteract destructive influences that can surround underachievers.
- Presents over 200 numbered strategies that are designed to turn underachievers into achievers.
