Summary

Have you ever wondered what it's like to be an aircraft maintenance engineer?

In this book from the *My Job Rules!* series, we follow Donna on her journey from trade assistant to LAME (pronounced LAY-MI), or Licensed Aircraft Maintenance Engineer. On the way, you'll read all about what Donna does each day, see pictures of the aircraft hangar where she works, and learn some interesting facts about her job as well as key terms that will help you to better understand the world of work.
