### Summary:

From the Jungle to the Classroom provides in-depth analysis of three popular Graeme Base books: Jungle Drums, The Waterhole and Uno's Garden, as well as extensive resources to facilitate learning and teaching. Students are encouraged to explore concepts such as conflict resolution, tolerance, the wonders of the world, conservation, ecological balance, environmental footprints, health and sustainability. With a range of fun, creative and educational activities for students across years four to eight, From the Jungle to the Classroom offers a path through the wilderness to deeper understanding of art, literature and the world we live in.
