Summary:

Ready, Set...Go! Off to Play is a timely resource for parents of two-year-olds. Parents are their child's first and most important teacher, supporting them in their rapidly expanding skills and abilities. This book provides games and activities full of fun ideas for spending time with toddlers. It suggests simple everyday ways to boost learning through active and interactive techniques.

Key selling points:

- Offers the opportunity to record child's achievements in the diary pages at the end of each section.
- Based on the milestones in five major areas of development; including fine motor development, gross motor development, language development, cognitive creative development, and social and emotional development.
- Provides simple and easy-to-use games and activities
- Skills and instructions of each activity are clearly outlined.
- Written by Becky Daniel, who is a parent and a teacher with extensive experience in the early stages of childhood learning.
