Summary:

This amazing resource will lead students around the world on a cross-curricular tour. You and your students will visit 49 famous landmarks, both natural and built, such as the Great Pyramid, the Taj Mahal, Stonehenge, Machu Picchu, the Dead Sea, the Great Barrier Reef, the Serengeti National Park and many more. This book has information and activities to help students make connections to the real world, past and present, as well as encouraging them to delve into independent research.

This book compliments units of study on the continents with exciting activities based on points of wonder for everybody across the world. Famous landmarks are exciting for everyone, and offer fun and interesting supplements to the everyday curriculum.

World Famous Landmarks includes information sheets, websites and activity pages that offer investigative learning ideas for students, with complimentary activities that span the key learning areas.

Key Selling Points:

- Oodles of interesting information about many different places around the world
- Caters for the different learning styles of your students
- Activities can be turned into cards for Learning Centres
- Landmark poster included
