Summary

The revised edition, *World History and Geography Fact File: for Students and Teachers* gives educators and students the most comprehensive resource for teaching and learning world history and geography skills. Areas covered: world history skills, world geography skills, the old Stone Age, Mesopotamia, Medieval Europe, Renaissance and Reformation, wars and unrest, world explorers, historic places and sights to see. A biographical dictionary and an invaluable glossary are just some of the useful and timesaving resources included to help make world history and geography fun. Rather than searching through cumbersome textbooks, let your fingers do the walking.

Key Selling Points

- Updated to include 2005 information.
- Key people, terms, achievements, places and explanation of lifestyles, including Australian history.
- Contains clear checklists and easy-to-read charts.
- Includes a world history biographical dictionary and glossary, and easy to reference lists of informative historical and geographical data.
