Summary

Learning to Learn: Test Taking Skills is a hands-on guide for approaching any kind of in-class assessment with confidence. This book is not meant to simply be read – it is a book to use, write in and tear apart. It is an interactive guide filled with practical hints, methods, tips, procedures, resources and tools that will help you succeed in school and in life.

Use the resources in this book to:

- Find out the best way to approach a variety of in-class assessment tasks, including multiple choice tests, spelling tests and essays
- Identify the symptoms of test anxiety and free yourself from unnecessary stress
- Learn what to do before, during and after a test
- Form study groups for effective test preparation

Each section has been broken down into manageable blocks, with step-by-step procedures that are easy to digest and put to immediate use.

From the classroom to the workplace, the need for learning never ends, *Learning to Learn* will ensure that you've equipped yourself with the tools you need for lifelong learning!
