Summary:

More valuable than ever, Writing Yellow Pages has been updated to give middle years educators and students the most comprehensive resource for teaching and learning writing skills. Areas covered include things to write, descriptive words, words that show action, rhyming words, literary devices, rules for punctuation, proofreader's marks, spelling helps, capitalisation rules, and editor's guide for primary and older writers. Story-starters are included to help make writing fun for students. Rather than searching through cumbersome textbooks, let your fingers do the walking through this 64-page 'can't live without' writing reference!
