Summary

The *Mobile Learning Mindset* series offers practical knowledge and strategies for successful implementation of K–12 BYOD programs and 1:1 initiatives. This six-book collection provides district leaders, principals, teachers, IT staff, educational coaches and parents with the information they need to make any mobile learning program a success.

The Principal's Guide to Implementation shares lessons learned and provides many examples and activities that will help campus leaders who are about to implement a mobile device initiative or already have.

Tools and activities throughout the book will help principals:

- Model technology use and set expectations.
- Identify stakeholders and cultivate buy-in.
- Optimize team dynamics.
- Build a culture of creativity and shared ownership.
