Summary

The *Mobile Learning Mindset* series offers practical knowledge and strategies for successful implementation of K–12 BYOD programs and 1:1 initiatives. This six-book collection provides district leaders, principals, teachers, IT staff, educational coaches and parents with the information they need to make any mobile learning program a success.

The Coach's Guide to Implementation shares lessons learned and provides many examples and staff development activities to help educational coaches prepare teachers who are about to participate in a mobile device initiative or already have. The book features an interview with well-known educational technology trainer and consultant Kathy Schrock.

Tools and activities throughout the book will help coaches:

- Model technology use and set expectations.
- Identify stakeholders and cultivate buy-in for mobile devices.
- Optimize team dynamics.
- Build a culture of creativity and shared ownership.
