Summary:

The standards in the book provide a comprehensive portrait, complete with sample performance tasks, of what technology facilitators and leaders must do to ensure successful technology use in classrooms. Scenarios, case studies, discussion questions and resources related to implementing the standards are also provided. With each chapter dedicated to a single standard, the authors provide insight, advice and tips for every level of facilitator and school leader. If you intend to simply increase your skills and competencies or go further, this practical step-by-step guide provides everything you need not only to understand the standards, but to meet and exceed them.
