## Summary:

When all students in the classroom have a laptop, tablet or handheld computer at their fingertips, a whole new world of instructional possibilities appears. Get ready to tap into those possibilities with Pamela Livingston's guide to 1-to-1 programs that work. You'll find practical planning advice, case studies of successful programs and a host of implementation resources. Livingston updates this new edition with chapters on 1-to-1 leadership, tablet PCs and the shift towards learner-centric educational environments. Also included in the new edition is a handy resource mapping the new Web 2.0 tools to various subject areas.
