Summary

Social networks are a growing part of our daily lives. These powerful and diverse online communities also have the potential to be robust learning platforms. The challenge many educators face is how to incorporate and maximise social learning networks to serve them in the classroom and in their professional lives.

In *Let's Get Social*, authors Ginger Carlson and Raphael Raphael show you how easy – and fun! – social learning can be. Using the popular educational social network Edmodo, they demonstrate the many ways this powerful tool can enhance instruction, share knowledge and create an extended network of colleagues.

Whether you're a new or experienced Edmodo user, this innovative and instructional book will give you everything you need to know about integrating social learning at all year levels. You'll get immediately adaptable strategies for incorporating Edmodo's suite of tools and apps to support project-based learning, flipped classroom, gamification and more.
