Key Selling Points:

- Result of 15 years of development, field-testing and research
- Easy-to-use binder full of blackline masters
- Sure to make staff meetings productive, constructive and fun!

Summary:

Meetings are one of the few times that the staff is together. When structured well, they become the royal road to creating a community of leaders and learners. This groundbreaking resource offers both a vision and map. This tabbed binder includes lots of blackline masters to use immediately in any meeting, meeting scenarios, learning logs and hints. It is the product of 15 years of development and field testing; everything in this rich resource has been tried and proven. Finally, everything you need to set sail with your faculty on an enriching and fun adventure toward a community of leaders and learners.
