Subject:	Social Studies

Key Selling Points:

- Includes 17 holidays
- Fantastic cooperative learning activities
- Develop analytical thinking skills

Summary:

Your students learn analytic thinking skills and communication skills as they play these energising games. Students work in pairs or teams on opposite sides of a barrier to discover what's the same and what's different in two carefully illustrated pictures. This book has each holiday of the school year! The game is easy to set up and play. Includes instructions and illustrations, recording sheets and keys for each holiday. Guaranteed to be a favourite in your class.
