Subject:	Early Years Education

Key Selling Points:

- Features Mix-N-Match cards and activities
- Transfer mastering content into a fun, energising learning game!
- Covers essential skills for the early years

Summary:

Your little ones will love these energising learning games! Students each get a Mix-N-Match card related to the topic. They move about the room quizzing each other and trading Mix-N-Match cards. You call, "Freeze!" They then rush to find a partner with the matching card. "What letter do I begin with?" "What number am I?" Students enjoy mixing and matching so much, they hardly realise they are repeatedly quizzing each other and mastering the content. Book includes Mix-N-Match card sets for: addition, animals, beginning consonants and vowels, community helpers, food, less than, greater than, letters, numbers and dots, ordinal numbers, shapes, the missing letter, transportation.
