### Summary:

Develop your students' character through positive role models. This book features 22 stories designed to foster in children the nine Values for Australian Schooling - Care and Compassion; Doing Your Best; Fair Go; Freedom; Honesty and Trustworthiness; Integrity; Respect; Responsibility; and Understanding, Tolerance and Inclusion.

Some stories are about well-known individuals from Australia and overseas, celebrated for their positive contributions to others, to society and to the world. Many stories focus on everyday heroes; ordinary people in extraordinary circumstances. Each portrait includes a teacher guide that highlights the desirable traits, including thinking questions and writing ideas about the story and character.
