Authors: Miguel Kagan

Date Available:	7 December 2007
ISBN:	1 74170 186 4
Code:	KA1864
RRP:	\$37.95
Format:	A4, 178 pp
Age Range:	Primary – Middle Years
Category:	Cooperative Learning
Subject:	Science

Key Selling Points:

- Features Mix-N-Match cards and activities
- Transfer mastering content into a fun, energising learning game!
- Covers core science topics such as classification, human body and cell anatomy

Summary:

Skyrocket science mastery! Students each get a Mix-N-Match card related to the topic. They move about the room quizzing each other and trading Mix-N-Match cards. Students enjoy mixing and matching so much, they hardly realise they are repeatedly quizzing each other and mastering the content. This book includes Mix-N-Match card sets for: animal adult and baby names, animal classification, body parts, bugs and insects, cell anatomy, exploring space, human body systems and facts, matter and energy, ocean life, the food pyramid, and weather vocabulary.
