## Key Selling Points:

- Over 1500 activity ideas
- 84 activity sheets
- Teach your students about America's place in world history!

## Summary:

Over 1000 activity ideas to make American History engaging and experiential. The activities revolve around students' multiple intelligences to make history interesting and exciting for students with all intelligences and learning styles. Students create posters, draw cartoons, sing songs, create graphs and relive historical events. From life and events in early America to recent events in the nation's history, you'll never be short of ideas to make history come alive for your class. The 84 time-saving reproducible blackline masters come complete with a description of the historical topic or period to provide context and meaning. Make history an unforgettable experience.
