Summary:

Attention year three and four teachers! What do you get when you put the best literacy content together with the best instruction available? Highly motivated and literate students.

Primary teachers and literacy coaches have pooled their experience to bring you this tremendously comprehensive guide covering five important literacy standards: Comprehension, Word Study, Fluency, Writing and Vocabulary. But unlike any other literacy program, it delivers the literacy skills with the cooperative learning and active engagement thrills. This giant resource is brimming with activities, lessons and resources to not only make your language and literacy program better, but easier too. Use it as a complete year three and four balanced literacy program, or pick and choose activities to infuse engagement into your current English program.
