Key Selling Points:

- Over 2500 stunning visuals designed just for presenters
- CD-ROM includes b&w and full-colour art, plus ready-made powerpoint slides
- Motivate and inspire with ready-to-use quotations and motivational sayings

Summary:

Spice up your presentations with this collection of visuals designed with the dynamic trainer in mind. Includes visuals for all your training needs. Tell your participants when break is over with, "See you later alligator, be back at..." Draw attention to important details with, "Let's take a closer look!" Attractive and humorous illustrations bring famous quotations to life. Artwork is available in black and white for handouts and in full colour, ready to drop into your PowerPoint® presentation. You'll also find numerous pre-made PowerPoint® slides. Make your presentations sizzle with these dynamic visuals.
