Subject: Personal and Social Skills

Key Selling Points:

- Ready-to-use engaging activities for your classroom
- Create a fantastic display in your learning centre
- Encourage personal and social skills through promoting self-awareness and cooperative learning activities

Summary:

Create maximum engagement with minimal preparation and supervision. Students have fun and deepen their understanding of the curriculum as they create poster masterpieces. Your students will use their thinking and creativity skills as they complete these mini-projects. Students build self-knowledge, teamwork skills, character and self-esteem as they create their personalised posters. Each student poster includes numerous highly-motivating activities. Poster Projects are great for team projects, independent activities, sponge activities and learning centres. Each set includes 32 of the same, A3-sized poster pages.

TITLES:

Poster Projects (32): I Have Character
Poster Projects (32): I Have Self-Esteem
Poster Projects (32): Our Team
