### Key Selling Points:

- Ready-to-use engaging activities for your classroom
- Designed to generate higher level thinking processes through application, analysis, synthesis and evaluation
- Promote cooperative learning and teambuilding with these fun prompts

### Summary:

Your students just finish reading a book, are ready to start writing, are studying characters in literature, or are about to explore a new English genre. Each team pulls out their own set of Question Cards and works to ask and answer questions guaranteed to get them thinking critically and creatively about the content! You and your students will love using these popular open-ended higher level thinking question cards. Each classroom set has 16 colourful double-sided question cards for each team in your class. Includes full instructions and lots of great ideas for use. Kagan Question Cards are also available for Science, Social Studies and the Arts.
