Summary:

The Kagan Mix-N-Match Card Series are designed to get younger students out of their chairs and interacting with other students, and learning about the world about them! Students each get a Mix-N-Match card related to the topic. They move about the room quizzing each other and trading Mix-N-Match cards. You call, 'Freeze!' They then rush to find a partner with the matching card. Students enjoy mixing and matching so much, they hardly realise they are repeatedly quizzing each other and mastering the content. Included in this English series are reproducible Mix-N-Match card sets for: Capital and Lower Case, Abbreviations, Antonyms, Homonyms, Synonyms, Compound Words and Literary terms. Kagan Mix-N-Match Cards are also available for Mathematics, Humanities, Science and Music.
