Summary

This easy-to-read and practical book provides what teachers need to turn unmotivated, underachieving boys into focused and successful learning leaders!

Based on the author's 30+ years of experience as a teacher, principal, researcher and parent of boys, *Helping Boys Learn* has effective solutions to many of the most pressing problems for boys and their teachers in school. In this book, you will discover how to use these six secrets to help boys:

- sit still and stay focused
- avoid distractions and stay on task
- complete homework without nagging
- put forth their best effort in schoolwork
- become passionate, successful learners in school
- and much more...

When applied correctly, these six secrets help any boy to become a more motivated and higher achieving learner who is able to excel and reach his true potential at home, at school and in the community.
