**Key Learning Area:** Cross-Curricular

## Summary

Fair, effective classroom management strategies are essential in every classroom. Educators at all experience levels are needing practical, research-based strategies to manage difficult situations. *20 Disciplinary Strategies for Working With Challenging Students* provides easy-to-implement solutions, such as flipped, technology-based and project-based classroom formats, as well as RTI behavioural improvement programs, to improve disciplinary practice.

In this insightful book, author William N. Bender provides an in-depth, three-tiered disciplinary approach that includes preventative, whole-class and whole-school strategies; guidance for avoiding triggers for misbehaviour; and specific, differentiated strategies for intensive, targeted interventions to ensure that discipline practices are consistently fair and effective. With an emphasis on recent issues and trends, Bender offers practical tips for putting advanced disciplinary strategies to immediate use in the modern classroom and describes the research foundation for each tactic. This book explores:

- differentiated disciplinary strategies for diverse scenarios
- solutions for specific challenges in modern discipline
- recommendations and examples of real-world application.

Teachers and administrators working in all subject areas and year levels can quickly adapt these strategies to meet their needs and improve their classroom management practice. With these proven disciplinary strategies in place, educators are free to focus on the ultimate goal: increasing student learning.
