## Summary

This Complete Guide is the one-stop shop for classroom teachers looking to improve the quality of their lessons, questions, activities and assessments. This book unpacks the taxonomy level-by-level, providing educators everything they need to master using it in day-to-day practice.

Written by a practicing teacher and unashamedly practical, *How to Use Bloom's Taxonomy in the Classroom* contains a wide range of activities, strategies, techniques and questions which educators can use to create challenging, engaging learning experiences for their students.
