

Hawker Brownlow Education

Cooperative English: Real World Activities in the Classroom

Authors: Murray Suid and Marilyn Barr

Date Available: 25 June 2007
ISBN: 1 74170 274 7
Code: MMA1968
RRP: \$29.95
Format: A4, 128 pp
Age Range: Year 2 to Year 6
Category: Cooperative Learning
Subject: English

Key Selling Points:

- Excellent use of real world media formats designed for student use
- Encourages cooperative learning through engaging and creative activities
- Loaded with easy-to-use reproducible blackline masters

Summary:

In English, two or more heads are often better than one. That's because language is collaborative. When you speak, you need a listening partner. When you write, you need a reader. When you put on a TV show, you've got to have a director, a camera operator, performers and viewers. This kind of natural teamwork is the goal of the cooperative, whole-language approach presented here.
