## Key Selling Points:

- Ideal for learning centres
- Packed with fun and informative games and activities
- Raises children's enthusiasm for learning

## Summary:

This title provides hands-on activities that allow children to practise their beginning reading and phonics skills.

Primary Phonics: Games is a book of phonics activities and games designed to enrich and supplement basic phonics programs for children in years 1-3. The book targets some of the essential building blocks for developing the relationship between sounds and their written symbols. The activities in the book are ideal for learning centres as well as for regular or resource classrooms.

## Supporting Resources:
