Age Range: Middle Years – 5-9
Category: Themes
Subject: Health and Physical Education

Key Selling Points:

- Explore different sports
- Learn the history of the Games
- Fun and easy-to-use activities reinforce the idea of 'having a go'

Summary:

Whatever your student's size, interests or abilities, there is a sport, game or activity for everyone. Using these innovative and informative exercises, students will learn about the history, traditions and dedication that surround the Olympics, and will also learn how to harness their potential - and perhaps realise their dreams of becoming an Olympic athlete. Above all, this book constantly reinforces to readers the importance of being a 'try-athlete' – having a go and having fun!
