Subject: English

Key Selling Points:

- Loaded with reproducible blackline masters
- Engaging easy-to-use activities to educate your students while they have fun
- Filled with delightful illustrations to connect children to phonemics, rhyme, the alphabet and more!

Summary:

Phonemic Awareness Activities for the Early Years is a book of games and activities for preschool, kindergarten and prep children that fosters and reinforces early learning of the sounds of the alphabet and rhyme. The activities in this book give young children opportunities to practise and strengthen their skills in initial phonemic awareness within an entertaining format. The engaging games and activities aid the teacher in guiding the children to become willing partners in learning.
