Summary:

The Kagan Mix-N-Match Card Series are designed to get younger students out of their chairs and interacting with other students, and learning about the world about them! Students each get a Mix-N-Match card related to the topic. They move about the room quizzing each other and trading Mix-N-Match cards. You call, 'Freeze!' They then rush to find a partner with the matching card. Students enjoy mixing and matching so much, they hardly realise they are repeatedly quizzing each other and mastering the content. Included are reproducible Mix-N-Match card sets for: Animals, birds, body parts, food, insects, inventors, ocean life, transportation and weather terms. Kagan Mix-N-Match Cards are also available for Mathematics, Humanities, English and Music.
