Age Range: P-3
Category: Learning Styles
Subject: Learning

Key Selling Points:

- Features helpful resource lists
- Contains case studies from early years teachers
- Tips and ideas to move learning to learn forward in your school

Summary:

Teaching children how to learn is the key to their success – not only through their school years, but for the rest of their lives. Based on the Campaign for Learning's 'Learning to Learn in Schools' action research project, this book gives expert guidance on how to help younger students learn most effectively and how to give them the best possible chance to achieve their full potential.
