### Summary

Good literacy skills are vital for success at school – but often the most important foundations are laid outside the classroom. *Flying Start with Literacy: Activities for Parents and Children* tells parents and carers of three-to-seven year olds all they need to know about how to give children the best possible start in literacy.

### Key Selling Points

- A tool for parents and care-givers to support early literacy education.
- Jargon free language from experienced early years teachers.
- Practical activities such as listening, talking, movement and role-play.
- Encourages pre-schoolers and primary school children to gain confidence, skills and knowledge.
