Summary:

Levelled books are an important resource for building strong readers, but their lessons require reinforcement to provide a long-term foundation for literacy. *Essential Activities for Levelled Books* supports the reading comprehension strategies featured in *Rising Readers Levelled Books*, helping students to make the most of their reading experience and understand, internalise and communicate ideas.

Essential Activities for Levelled Books offers a variety of activities to help students gain confidence and master comprehension strategies by practising and extending essential skills, including:

- Learning academic content vocabulary
- Learning sight word vocabulary
- Making connections between text and prior knowledge and experiences
- Interpreting graphic features, such as diagrams, tables, charts, maps and graphs
- Using comprehension strategies, such as comparing and contrasting, drawing conclusions and evaluating author's purpose
- Answering text-dependent questions about the text
- Practising techniques that improve reading fluency

Supporting Resources:

- Using Levelled Books: Your Classroom Guide* (NL2248)
- Using Levelled Texts to Differentiate Instruction* (NL2224)
