## Summary:

Good teachers are both lifelong learners and inveterate thieves. They “steal” good ideas and practices, revise them, and make them their own as they pursue powerful pedagogy. In this engaging book, Ross Burkhardt presents proven instructional practices in the context of the stories telling of their origin. Entertaining, practical, and significant are words that appropriately characterise this fresh resource. Here is that rare education book that is so well written and engaging that it will be hard to put down. You will be sure to accept Ross's invitation to “steal” these great practices and adapt them for your classroom.
