

Technology to Improve Learning: Strategies for Middle Level Leaders

Mike Muir

Date Available:	31 October 2008
ISBN:	NM1969
Code:	9 781741 707472
RRP:	24.95
Format:	A5, 40 pages
Age Range:	Professional Development
Category:	Professional Development
Subject:	Professional Development

Summary:

Technology has brought new interest and excitement to teaching and learning. However, how best to use it presents many questions. Author Mike Muir suggests readers give serious consideration to what and how technology should be used as a learning tool. He describes several specific strategies and tools and, importantly, explains how to support learning with technology through infrastructure considerations, professional development, and much more. This book is for every middle years leader.
