

Oral Language Activities for Young Learners (Set of 10)

Author(s): Cindy Middendorf

Date Available: 13 October 2015
ISBN: NPR9141
Code/SKU: NPR9141
RRP: \$90.00
Format/Page No. A4
Year Level: Early Learning
Focus Area: Activities and Exercises
Key Learning Area: Cross-Curricular

Summary

This guide provides background and strategies “in a nutshell” that will help early childhood professionals working with three- to five-year-olds. Literacy experts agree – oral language is the crucial cornerstone skill of literacy. This reference guide is a valuable tool for helping teachers understand the need for explicit attention to oral language development, and plan for, focus on and integrate appropriate oral language instruction into the early childhood classroom.

Explicit strategies that encourage and extend oral language result in better reading achievement and overall school success. This concise guide will give teachers:

- Current compelling background on the power of oral language
- Simple assessment checklists for appropriate oral language
- Ways to make "teacher talk" an instructional tool
- Tips for whole-group and center activities that allow *all* children to practice language skills
- Activities that allow families to easily incorporate purposeful oral language at home.

This set contains 10 copies of the *Oral Language Activities for Young Learners* reference card.
