Summary

“Next time you see a sunset, stop and sit down for a while.”

This book’s tempting opening line invites children and adults to take in a daily phenomenon with fresh eyes. By reading *Next Time You See a Sunset* together, you can learn to appreciate the spinning of Earth, the progress of day into night and the reasons for the spectacular colours and shadows that accompany sunrise and sunset.

Awaken a sense of wonder in a child with the *Next Time You See* series. The books will inspire primary-age children to experience the enchantment of everyday phenomena such as seashells and sunsets.

Especially designed to be experienced with an adult – be it a parent, teacher or friend – *Next Time You See* books serve as a reminder that you don’t have to look far to find something remarkable in nature.
