Summary

Set of 5

We all enjoy watching fireflies twinkling in the twilight, but after reading this book, children will see the insects with new eyes.

Share *Next Time You See a Firefly* with a child. Discover why fireflies flash and how they live secret lives underground before coming out to fill the evening with their glimmers of light. Together you'll also realise that if you catch fireflies, you must let them go; fireflies have a lot to do!

Awaken a sense of wonder in a child with the *Next Time You See* series. The books will inspire primary-age children to experience the enchantment of everyday phenomena such as insects, seashells and sunsets.

Especially designed to be experienced with an adult – be it a parent, teacher or friend – *Next Time You See* books serve as a reminder that you don't have to look far to find something remarkable in nature.
