### NOTE

No part of this publication may be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, electronic, mechanical, recording or otherwise, without the prior written permission of the publisher.

Reproduction of these materials for an entire school or school system is strictly prohibited.

At first it seemed like an ordinary TV set. True, it had the biggest screen and the clearest picture Shawn Sowler had ever seen. But it had the same programs as any other T.V.

# ADVENTURE IN THE VAST WASTELAND

PART I

I'm leaving, Wanda!  
I've had enough of  
you and your family!

Oh, Blake, Blake!  
Don't go!—

What a boring  
show! There  
must be some-  
thing better on!

... Then one summer afternoon,  
Shawn discovered just how  
unusual it was.

We don't need them—  
or their money! We  
have each other!

Hey!—

It's no good,  
Wanda!  
It'll never work!—

@%\*&! Anne and  
her skateboard!  
If she leaves that  
thing in the living  
room **one more  
time—**

—You're too used to  
living in luxury! You'll  
never change!

Hey—  
where am I?!

Eeek!

Who are  
you?

Horrid brat!  
Eavesdropping  
on a private  
conversation!

I'm awfully  
sorry!

Tune in again  
tomorrow for  
another episode  
of "Search for  
Last Week."

Gee!

For a few days, Shawn kept the secret to  
himself ...
