

**DIRECTIONS FOR MAKING DIRECT DIAL (I.S.D.) OVERSEAS CALLS**

**How you can dial overseas**

Follow these four simple steps.

1. Dial the Overseas Access Code-0011
2. then the Country Code
3. then the Area Code, if required
4. then the Overseas telephone number.

# Overseas Calling

|||| **OTC** International Direct Dial

|                      |              |           |                       |
|----------------------|--------------|-----------|-----------------------|
| Overseas Access Code | Country Code | Area Code | Overseas phone number |
| 0011                 | _____        | _____     | _____                 |

**Important note about area codes**

- Do not dial the leading zero on overseas area codes.
- For example, the area code for London is sometimes shown as 01. Just dial 1.

**Getting information about International Direct Dial**

- Overseas country and area codes Page 20
- Codes not in this book 0103
- Charges 0102
- Overseas phone numbers 0103
- Have you got direct dial access? **001100**  
A recorded message will confirm that you have access. If you do not get a recorded message, call your Telecom Office (page 4).
- Telecom Offices (see page 4).

**Service difficulties** 0100

Hang up immediately you experience difficulties on a call.
