 Clap your hands. (clap, clap)

The Puppets

Watch them hop, skip, jump,
 Oh, the puppets they can go.
 Watch them turn, fall, stand,
 You must not miss the show.

Can we still come back,
 To watch the puppets go.
 Can we still come back,
 Even when we are all grown.

After school, we ride home in the car.

The Wheels on the Car

The wheels on the car go round and round,
 Round and round, round and round,
 The wheels on the car go round and round,
 All around the town.

2. The horn on the car goes beep beep beep...
3. The wipers on the car go swish swish swish...
4. The lights on the car go blink blink blink...
5. The children in the car say, "We are hungry,"...
6. The driver of the car says, "Buckle up,"...
7. The children in the car say, "Let's have lunch,"...

...All around the town.

PAGE 12

It is time for lunch. After lunch, I take a quiet time.

Hush Little Baby

Hush little baby don't say a word,
 Papa's gonna* to buy you a mockingbird;
 If that mockingbird don't sing,
 Papa's gonna buy you a diamond ring.
 If that diamond ring turns brass,
 Papa's gonna buy you a looking glass;
 If that looking glass falls down,
 You'll still be the sweetest little baby in town.

* "gonna" is slang for "going to"

PAGE 13

After my quiet time, I go to the park to play. I like to feed the ducks. I sing and dance on the bridge with my friends.

On the Bridge

On the bridge of Avignon,
 They're all dancing, they're all dancing.
 On the bridge of Avignon,
 They're all dancing round and round.

The Seasons Song

I like to rake the leaves
 Into a big hump
 Then I step back
 Bend my knees, and jump!

I like to make a snowball
 And roll it on the ground
 It grows into a snowman
 So big and fat and round.

I am a little flower
 My leaves are newly green
 When you see my first bud
 You know it's spring; it's spring.

It is now summer
 The sun is shining bright
 Our days are all our own
 To stand and fly a kite.
