1. Plan

2. Conduct

3. Process

4. Evaluate

5. Communicate

## Evaluate

How did you do?

Colour the stars that show the criteria you met. Then decide if you are ...

-  Less than 100% of stages and/or criteria is included
-  100% of stages and criteria are included with help
-  100% of stages and criteria are included independently
